## 2007-2008 ROUND 1 ESSAY

INSTRUCTIONS You must answer all three essay questions in English. You may only use this sheet of paper (page 1 and page 2). We recommend that you write the answers to these questions yourself rather than ask for help from your parents or teachers. 1. Imagine that your American host brother or sister accidentally broke a very important possession of yours. What would you do? Why? 2. Everyone experiences lessons in life. Describe an experience that taught you something that will help you while you are in the United States on this program. How will this experience help you? 3. Imagine that your host family likes an activity that you do not enjoy. They do it often and want you to join them. What would you say? Why?
